Sinking of Vessels. In October last a sufficient number acumen." in others. of powers had ratified the treaty to Flow, however, and the failure of the erament fiscal efficiency. Germans to live up to some of the armistice terms, the allies on November 1 demanded that before the treaty was put into effect Germany should sign a protocol providing for repairiation for the destruction of the warships and guaranteeing the carrying

out of the armistice terms. Since the time of the question of the protocol and particularly the reparation provisions in it have been under negotiation between the ailied supreme council and the German government. It was only within the past fortaight that the situation began to clear, an adjustment of the tonnage demands upon Germany being reached.

Commissions Created. With the taking effect of the treaty number of commissions created by it

spring into existence. Of the commissions now beginning their work probably the most imporlant is the reparations commission which will do a great amount of the labor incident to the execution of the treaty, its special duty being to regulate Germany's payment of indemnification during the next thirty years.

AMERICAN DIES IN MADRID MADRID, Thursday, Jan. 8 .- Theodore Carit of San Francisco, Cal., a student in one of the hospitals here, died from influenza here today. His family is residing in Madrid.

BUT COST OF MEN'S CLOTHES TO JUMP

signers here,

While the supply of woolen cloth was said to be increasing, the designers offered little hope that this would decrease the cost of clothes. The designers declared the conservatism both as to cut and fabric would prevail in the United States.
